WORK EXPERIENCE

Transaction Square LLP (Mumbai) – September 2022 to Present

During my exploration of the valuations field for nearly 1 year and 6 months, I have the experience of working in various key assignments across diverse industries, some of which I would like to highlight are as follows:

- 1) Valuation of preference shares of a company who is a dedicated sub-contractor of a leading **automotive brake parts manufacturer** supplying to major OEMs. Also, it is a part of one of India's most reputed and leading business houses.
- 2) **Assisted a listed company** for determining the share exchange ratio for potential merger with an unlisted group company operating in the **dyes and pigments industry**.
- 3) **Valued a listed company in the yarn manufacturing space** for advisory regarding the share exchange ratio for the purpose of potential acquisition of another listed company operating in the same business.
- 4) Involved in the valuation of an unlisted company in the **forging industry** for the purpose of giving potential exit to the minority stakeholders pursuant to the provisions of section 230(11) of the Companies Act, 2013.
- 5) Prepared a **research report on 'Indian Logistics Industry'** incorporating the analysis of 10 Indian logistics companies comprising of both established as well as start-up players.
- 6) Assisted in the valuation of group entities operating in the **fertilizer industry** for the purpose of fund infusion and potential group consolidation.
- 7) Valuation of CCPS of a Company engaged in the business of providing **CDMO services for sterile injectable products** for the purpose of fresh issue of CCPS to some foreign and resident institutional investors.
